## Programmes

- Erasmus Mundus Action 2 programmes
- Co-operation and mobility scheme in the area of higher education co-operation
- Funded by the European Union
- **Overall objective** - achieving better understanding and mutual enrichment between the European Union and Third Countries co-operation in the field of higher education

# EM@HU 2014

## What?

- ALFABET, LOTUS+, IMPAKT = EMA2 projects
- Scholarships for studying – research – teaching and/or training:
  - Asian nationals → one of the EU partner universities
  - EU nationals → one of the SEA partner universities
  - NEW: Two-way mobility
  - No mobility between EU countries or within Asia
- Specific aims:
  - Increasing academic competences
  - Improving language skills
  - Increasing social and intercultural competences
  - Improving employability

# General Information

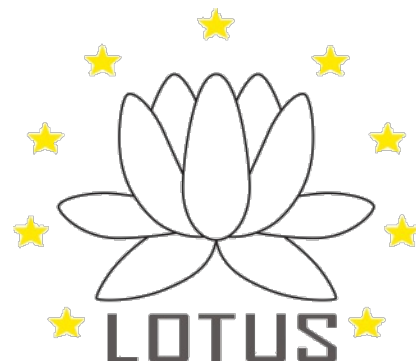

- Objectives EC
  - To **promote cooperation** between the EU and the Asian countries involved in the project
  - To enable students to **benefit from a study/research period abroad** and thus **to develop a pool** from well-qualified, open-minded and internationally experienced young women/men as future leaders
  - To **improve the transparency and recognition** of studies and qualifications: the project is focused on mobility and will give explicit attention to the promotion of recognition of study systems.

# General Information

- Objectives EC
  - To contribute to provide good students from **vulnerable groups equal chances** and thus disseminating EU social and democratic values
  - To **enhance the skills of staff**, who can in their turn contribute to the **improvement of the education system** in their home country
  - To enhance in the medium term the political, cultural, educational and economic links between the EU and the Asian countries involved
